PRESIDENT'S MESSAGE

Hello, Everyone:

Well, as luck would have it, I still don't have any "dancing" news to share. Things do seem to be looking up though and many of us are fully vaccinated, so maybe we can be meeting on the dance floor soon.

We are still hoping to start up in June. I'm not making any promises though, so don't hold me to it. If we can start up then, the first dance will be **June 5th**. It will be a Birthday dance, but we're not sure if we will be serving cake or not. If anyone is interested in providing a cake, email me at the above address and I will let you know if we will need it (in plenty of time for you to bake or buy it). Then our next dance will be our **Anniversary Ball on June 19th**. We will make this a special evening by asking you to dress up a little bit (or as much as you like.) Thinking it may feel good to get out of our "stay at home" clothes.

Our new website is up and running. Some of you have already checked it out and told you me you like the new look. If you haven't checked it out yet, go ahead and do so. We will be keeping it updated with the latest news about when we can dance again and the like. If when you do check it out, it doesn't look different, "refresh" the page and the new one should come right up.

On another note, your Board of Directors are planning on getting together to have an outdoors "in-person" Board Meeting (first one in over a year and we are so excited to do so) the end of May to discuss how to make your future dancing experience a fun and safe one. Feel free to email us any suggestions you would like us to consider. I will post the results of that meeting on the website.

I have been taking full advantage of this nice weather and my gardens are flourishing. Glad the heavy duty stuff is done because I'm sure it's going to start getting hot, since summer is almost here. Oh wait, that means weeds, oh my. Well, at least that will help keep me in shape for when we do start dancing again

Well, guess that's all for now. Keep your fingers crossed that our luck will change and I will have some "dancing" news to report next time. Until then, have a nice Memorial Day Weekend, stay safe, keep smiling and remember
